U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Antimicrobials Division (7510P)
 1200 Pennsylvania Avenue NW
 Washington, D.C. 20460

EPA Reg. Number:
 9402-14

Date of Issuance:
 NOV 14 2012

Term of Issuance:
Conditional

Name of Pesticide Product:
 Hitman Spray

NOTICE OF PESTICIDE:
 Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):
 Sally Hayes
 Scientific & Regulatory Consultants, Inc.
 Agent for Kimberly Clark Global Sales, LLC
 P.O. Box 1014
 Columbia City, IN 46725

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

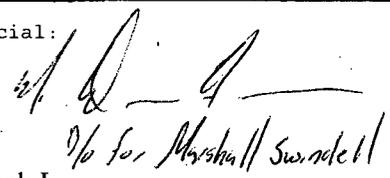

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(a) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 9402-14"

Signature of Approving Official:

1/6 for Marshall Swindell

Marshall Swindell
 Product Manager Team-33
 Regulatory Management Branch I
 Antimicrobials Division (7510P)

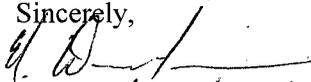

Date:

NOV 14 2012

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records. Submit one (3) copy of your final printed labeling prior to release of this product for shipment. If you have any questions concerning this letter, please contact Demson Fuller at (703) 308-8062.

Sincerely,

Po for Marshall Swindell

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product on a manner inconsistent with its labeling.

NOV 14 2010
Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No.

[To Clean: Wet the surface with the spray and wipe clean.]

[[†]To Sanitize] [Non-Food Contact Sanitizer] [/ Deodorize]: For hard, non-porous, non-food contact surfaces, [{or:} To sanitize hard, non-porous, non-food contact surfaces,] spray [this product] [6-8 inches from] [on] surface until thoroughly wet. Let stand for [15 seconds]. Wipe dry. [No rinsing required.] Remove heavy soil prior to sanitization.

^To Disinfect:

To disinfect hard, non-porous surfaces, spray [this product] [6-8 inches from] [on] surface until thoroughly wet. Let stand for 5 minutes. Wipe dry. [No rinsing required.] Remove heavy soil prior to disinfection. To disinfect Norovirus, let stand for 6 minutes.

***Soft Surface [Fabric] Sanitizer:** To [Kill][Control][reduce] bacteria on soft surfaces [fabrics]. [Not recommended for use on fabrics that may waterspot, such as silk, suede, or leather. Always, test a small, inconspicuous area before use.] Spray [this product] [6-8 inches from] [on] surface until moderately damp. [{or:} Spray a light even coating on fabric until wet.] [To kill [>99.9% of] bacteria [that cause odors]]. DO NOT SATURATE. Fabric must remain wet for 30 seconds [sec]. Let air dry. [For difficult odors or heavy fabrics, repeat application]. [Reapply as necessary]. [For highly soiled surfaces, clean excess dirt first.] [Wash treated clothing before using -or- wearing].]

****Residual Self-Sanitizing:**

To sanitize for 24 hours against [bacteria][including][*Staphylococcus aureus*, *Enterobacter aerogenes*, and Community-Associated Methicillin Resistant *Staphylococcus aureus* (CA-MRSA)] on hard, non-porous surfaces. Spray [this product] [6-8 inches from] [on] surface until thoroughly wet. Let stand for 5 minutes. Wipe dry. [No rinsing required.]

This product can be removed with soap and water. [If soap and water is used,] repeat residual self-sanitizing directions to maintain 24 hour sanitization.

[Use of this product on a floor or flooring surface is not recommended and may cause a slipping hazard.]

[This product contains Hydrogen Peroxide, which may cause temporary skin whitening after prolonged contact. Wash hands with soap and water.]

This product [name brand] [is compatible with] [will not harm] [surfaces including] (*surfaces will be selected from the following*) acrylic, aluminum, brass, ceramic, Corian®, glass, granite, LDPE, [brushed] nickel, painted surfaces, polycarbonate, polypropylene, polyurethane varnish, PVC, silicone rubber, stainless steel, vinyl, vinyl rubber, glazed porcelain and similar hard, [finished] nonporous surfaces. [Spot test before using]

Note to reviewer: All text in brackets [...] is optional and may or may not be included on a final label. All text in braces {...} is administrative and will not appear on a final label. Portions or all of the label may be bilingual. Claims on this page are optional and may appear on any label panel.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER [1-888-346-4652]

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Physical and Chemical Hazards

This product contains an oxidizing agent.

STORAGE AND DISPOSAL

Store in areas inaccessible to children.

Container Handling

Nonrefillable. Do not reuse or refill this container. Offer empty (container) (trigger bottle) for recycling or discard in trash. Do not reuse this trigger bottle for any other purpose.
